The Associated Students And . . .

"The Associated Students of Glendale High School" is the official-sounding title for 1,007 boys and girls who think they are the cream of the state—and may very well be. It is through their interest and, in some respects, abilities, that this annual is able to be published.

Through the representative group of the associated students, the Student Council, Glendale High school is run as a democracy, instilling in the students and teachers the ideals of such a way of life. (Top, Schill photo)

The Editors

The overlooked, the overworked, the unglorified—these are the people who publish this annual.

The staff, which does all the small jobs and gets almost no credit.

The photographers, who snap grinning faces all year and say nothing unpleasant when subjects wriggle and teachers object to interruption of their classes.

And the editors, who receive in payment for their toil only a name on the title page—in small print—and the scars from the adviser's cat-o'-nine-tails.

This book is their product.

And in spite of the seemingly bitter phrases above, would they take on the job again if they were offered the chance?

You bet they would!

They loved every minute of it.

DEDICATED TO

Mrs. Georgia Q. Menard

To Mrs. Georgia Q. Menard — because as GUHS attendance secretary she works hard and well; because she is thought to be infallible but knows she is not; because of her knowledge that there are times when leniency and gentle handling work to greater advantage than harshness; because she works quietly, without commendation, on the lists and records so necessary to the school's function; and, most of all, because in her 13 years at Glendale High she has earned not only our respect but our honest admiration—we gratefully dedicate this book.

The Administration And FACULTY

Board Of Education

Those Who Set School Policy

Serving faithfully without pay for either their time or labor, these five men — the Glendale Union High School Board of Education — are responsible for a smooth-running institution and harmony between students, faculty, and townspeople. To them, for their untiring efforts in our behalf, we are grateful.

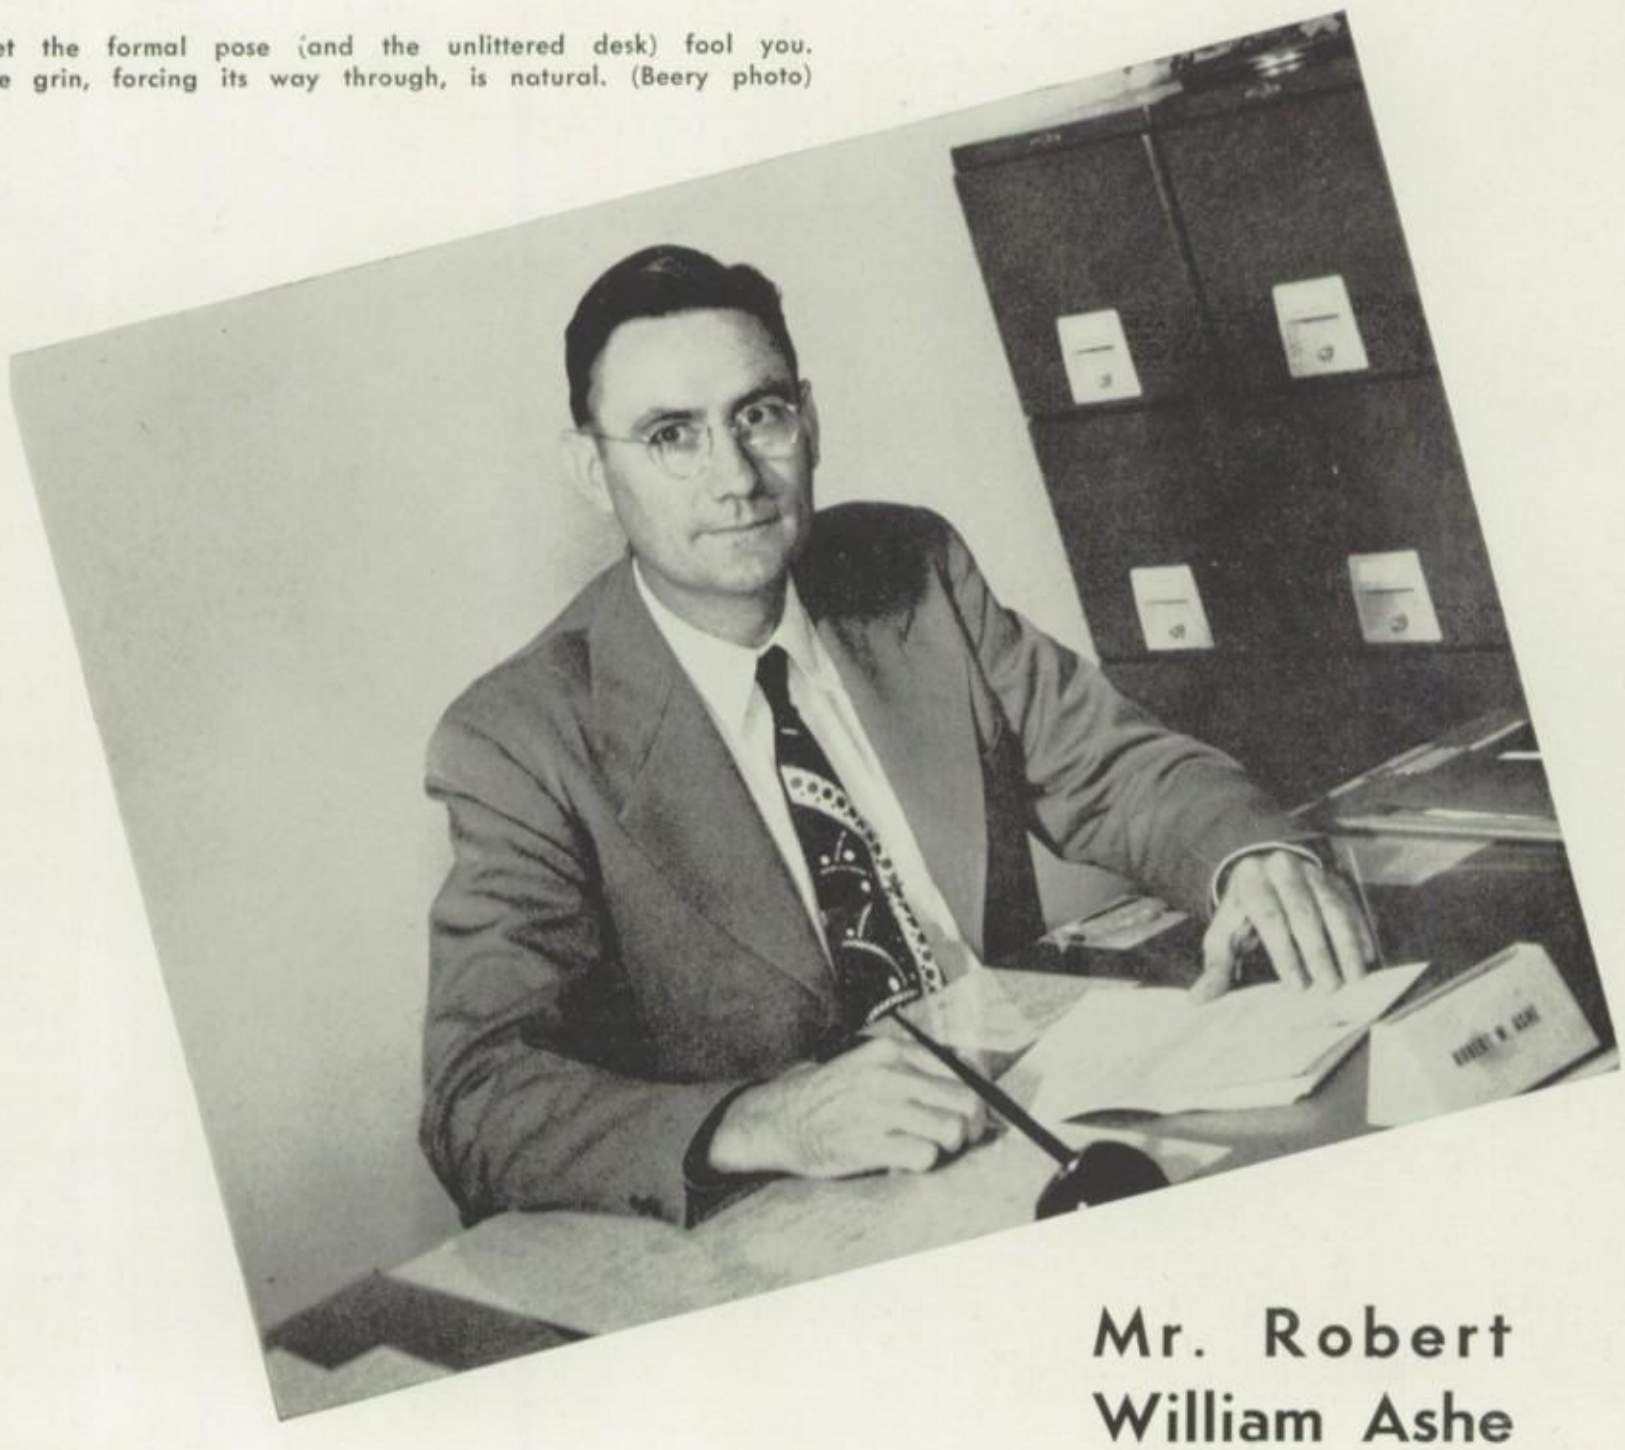
At the close of the first term we said good-by to Mr. Sam Joy who is retiring after ten years of service, the last year as president of the board. Although we are sorry to lose Mr. Joy, we are happy to welcome Mr. Harold Lowe, and we hope he will be with us for many years.

Mr. Sam Joy, President, Retired

It's hard to take a formal picture of Mr. Ashe —he just isn't. That, perhaps, is the reason why he's often called the best administrator in the state. Ending his fifth year at the head of Glendale High, he says he never worries about anything. Of course not—a school of 1,000 just runs itself, bond issues pass automatically, a million problems that come before his desk all resolve themselves as a matter of course. He never worries—he just gets things done. (Schill photo)

The Principal Of Glendale High

Don't let the formal pose (and the unlittered desk) fool you. Only the grin, forcing its way through, is natural. (Beery photo)



Mr. Robert William Ashe

The pleasant lady in the upper left corner is Mrs. Harriette Imes, Dean of Girls. Next to her is Mrs. John Koerner, secretary, who has managed to retain her sanity even after a year at GUHS. At the upper right is Mrs. Elmer Hedges, school nurse and friend to all those who ail. At the left, chortling happily over his money, is Mr. Earl Thomson, business manager.

Administrative Assistants

The young lady at the mimeo machine to the right is Miss Sally Takesuye. At the left, below, is Mr. Ainslie Potter, director of audio-visual aids. Centered below is Mr. Robert Scott, registrar and friend to all. And you've met the fine lady at the lower right, who doesn't usually look so grim—Mrs. Georgia Menard. (Schill photos)

The Faculty Of GUHS

The grim, old fashioned schoolmasters with ready hickory stick in hand have seen their best days, and in their places are teachers with one thought in mind—that of showing us, the students, the value of a good education.

With patience in place of a sound whack of the paddle, students of today are taught not only the fundamentals of reading, writing, and arithmetic, but also the essentials that produce the initiative leading to a successful life.

GUHS is proud of its faculty—and well may be—for here are men and women who are fine examples of the modern teacher, and in our opinion, compose the state's best teaching staff.

Custodians and Bus Drivers

These are the men who keep GUHS looking as it does — who trim the shrubs, and keep the grass smooth in the patio. They drive the buses that bring Glendale students to school, and also the more-appreciated buses that take those students home.

They get up at 6 a.m. to have your school ready for you in time for first hour, and then stay for hours after classes end to irrigate Glendale High's beautiful lawns. Under Van's able direction, these men make our buildings and campus surroundings of which any student can be proud. (Parker Photos)

Cafeteria Staff

These friendly faces are familiar to nearly all at GUHS and are nearly as welcome a sight to hungry students as is the food served. Mrs. Fugate and her capable staff of assistants are an integral part of the mechanism of Glendale High, and if students were asked to name some of the school's most important people, it's a safe bet that the names of the cafeteria staff would be near the top of the list.

Mrs. Della Fugate, Dietitian

The cafeteria staff, left to right, is composed of Mrs. Thompson, Janice Robinson, Margaret Mills, Barbara Molidor, Mrs. Fugate, Kenneth Bean, George Bean, Mrs. Essie Alexander, Burton Fugate, Mrs. Elphy Lewis, Joan Kleinschmidt, Dolores Robinson, Mrs. Mae Stewart. (Beall Photo)

Typical of its ability to cope with demanding situations was the cafeteria's excellent handling of the Student Council Convention in December. Here are some of the guests from all over the state enjoying lunch. Mr. Davis' orchestra is in the background. (Shaw Photo)

Student Council

Here is the real government of GUHS — our legislature, our judiciary, and our executive department.

These people are our fellow students freely elected by us, and they recognize and accept their responsibilities. None know better than they that theirs is the job of keeping in working order the democracy that is Glendale Union High School, and they are aware that whether or not it remains a democracy depends on them.

A position on the GUHS Student Council is one of honor. (Schill photos)

The Seniors

This is by far the finest class ever to graduate from Glendale High—just ask any member of it.

These are the big ones; the football players, the tall, wide-shouldered boys every underclass girl regards with awe, and the poised girls whom each soph or frosh boy thinks of as the absolute ultimate.

Swell-headed seniors? Maybe, a little. But a year or two in college or at work will reduce that slight dash of egotism to a quiet self-confidence which will be lasting. While these boys and girls were working for GUHS, striving to build and better it, their school has been doing the same for them, in many and varied ways. And this exchange appears to have been a fair one.

The Teen Canteen Opened With A Big Evening And Was A Success

One of the big events of the 1950-51 school year was the opening of the Glendale Teen Canteen. The Canteen was organized by Coach Bill Peterson to provide a place in which teen-agers could spend their spare time. With the help of many GUHS students the old American Legion Hall was redecorated and equipped for the high school gang.

The establishment is democratically ruled by student board of directors consisting of Ted Swift, senior; Gloria Mabry, junior; Kenny Ashinhurst, sophomore; and Jim Carey, freshman.

Generosity — And Good Health

Glendale High students have been on the ball all year. Some of the biggest events were the numerous school drives with the purpose of helping less fortunate people, sponsored by various organizations and clubs. Fine examples of Glendale High's generosity were the many baskets of food sent to needy families in the Valley at Christmas time, and the soap, candy, and toys sent to our adopted school in France. Another of the school year's hi-lights was Glendale's part in the Arizona Chest X-Ray Program. Running for two days, the drive included every student and faculty member.

Left to right, Don Mueske, Business Manager; Brooksie Millsap, Editor-in-Chief; and Jim Laughrun, Managing Editor.

Cardinal Hi-Lights, the school's bi-monthly newspaper, has had the most successful year in the school's history. It had an all-time record circulation and for the first time it was distributed on the first day of the term. This was due to the staff's willingness to cut their summer vacations a week short.

Thru the close and always unselfish cooperation of the smallest journalism class ever, the newspaper was entered in the state-wide contest at the University of Arizona, in which it is expected to take a top award.

It would be impossible to name an outstanding member of the staff—all of them worked long and hard to publish a fine school newspaper.

Future Farmers Of America

Officers, left to right, are Mr. Walter Kish, adviser; Craig Vail, treasurer; Buddy Baldwin, president; Burton Fugate, secretary; and Mr. Owen Allen, adviser.

Devoting themselves to scholarship, leadership, supervised farm practice, cooperation, and community service, the Future Farmers, under the direction and guidance of Mr. Owen W. Allen and Mr. Walter Kish, gain practical knowledge and experience in growing into the farm business.

Every member sets up and carries out a long-time farming program, owns or controls his projects, keeps an accurate record of his enterprises, and carries on financial matters.

Activities in the line of recreation were numerous this year. The boys held an annual corn roast, a joint party with the FHA, and a harvest dance.

They're a good, useful bunch of boys, ready to help repair farm equipment and to aid in all community projects.

The Lettermen's Club

Left to right, Coach Earl Gieseke, adviser; Jim Hampton, sergeant-at-arms; Ray Hoopes, vice president; Don Gunnell, president; Don Holley, secretary-treasurer; Gene Hutchinson, sergeant-at-arms.

The Lettermen's Club, sponsored by Coach Earl Gieseke, was organized to further athletics in Glendale Union High School.

The organization is composed of boys who have earned letters in any sports. These athletes have won the right to wear the "G" which designates them as superior athletes.

The officers of the club are Don Gunnell, president; Ray Hoopes, vice-president; Don Holley, secretary-treasurer; and Charlie Hallmark and Gene Hutchison, sergeants-at-arms.

The Glendale Union Hi-Y

It doesn't necessarily follow that if you don't belong to the Hi-Y Club, you're one of the lesser lights in school. But it does seem to be true that if you do belong, you're a pretty good young man. Want to check that assertion? Just look at the large picture up there.

Hi-Y, a branch of the YMCA, was founded to help perpetuate the ideals of Christianity in high school, and it has succeeded admirably. Headed by Mr. Ernest Zinser, the club is typical of a good, clean American life.

Glendale is proud of its Hi-Y Club, and the boys are proud of themselves. They may well be.

The GUHS Y-Teens

The Y-Teens, a branch of the YWCA, is sponsored by Miss Muriel Dawson.

Although membership in this club is smaller than that of any other club at GUHS, it is one of the most active clubs in this school.

Members of the club have successfully staged such activities as a baked food and candy sale. Representatives were sent to the Inter-Club Council meeting at Rose Mary Lodge at South Mountain Park, and to the YWCA meetings in Phoenix. Representatives from GUHS Y-Teens also attended the fall conference at Wickenburg, and Jackie Fine represented the club at the annual Christmas candle lighting services broadcast over KOY.

The Red Masque Club

Ever had the urge to quote Shakespeare, don grease paint, or reveal your more dramatic self? Then Glendale High's group of drama enthusiasts, the Red Masque Club, is just the thing!

No dramatic ability is required to join the club, as its purpose is not only to further any acting ability the student may possess, but also to arouse the student's interest in dramatics.

Sponsored by Mrs. Hoops, Glendale's dramatics teacher, the club members not only participate in school productions, but are also active behind-the-scene workers.

The group was sponsored by Mrs. Seely the first semester.

Left to right: Mrs. Barbara Seeley, first semester adviser; Loa Lamb, vice-president; Zoe Gocke, treasurer; Jacoba Lundberg, president. Mrs. Hoops was second-semester adviser.

The Girls' League

The Girls' League, which is composed of all the girls in school, sponsored several school activities this year, including the annual Every Girls' Banquet, Co-ed Week, the Sweetheart Dance, and many charitable events.

Under the sponsorship of Mrs. Harriette Imes, this organization meets twice a month with programs that are both educational and entertaining to the girls.

The officers for the past year were Donna Miller, president; Eva Nell Cooper, vice-president; Barbara Okabayashi, secretary-treasurer, and Tommie Alexander, recording secretary.

(Schill Photos)

The officers above are, left to right, Mrs. Imes, adviser; Eva Nell Cooper, Barbara Okabayashi, Tommie Alexander. Not shown is president Donna Miller. Back row, Mary Wiggins, Martha Wiggins.

The Boys' Federation

The GUHS Boys' Federation is exactly what the name states — a federation of boys, comprising all the boys in Glendale High.

Sponsored by Mr. McAllister, the Federation meets every two weeks, and presents programs of interest to high school boys. It also promotes various activities throughout the year, and early this year was co-sponsor, with the Girls' League, of the Student Mixer.

This year's officers are: Jimmy Laughrun, president, Tom Tomooka, vice-president, Don Manning, secretary, and Bob Warren, treasurer.

Left to right, front, Tom Tomooka, vice-president; Don Gunnell, council; Bob Warren, treasurer. Rear, Mr. McAllister, adviser; Jim Laughrun, president; Don Holley, council; Paul Swartz, council.

The Glendale GAA

The Girls' Athletic Association is a sportsmanship organization for girls. Under the sponsorship of Glendale's Coaches Martin and Fredell these girls work to earn points toward athletic letters.

Points are obtained by participation in team games, individual sports, physical education, scholarship, grades, and sportsmanship.

The GAA, a 14-year-old tradition at GUHS, sponsors various activities throughout the school year, and holds picnics and other such social events.

The Band *and* Drum Majors

Whether our football, basketball, and baseball teams have a winning or a losing season, we at Glendale always have one boast—the GUHS band is the best in the state. And Glendale is equally proud of its drum majors.

The GUHS band is an active unit of the school, playing at all football games, and marching in parades; and several band trips are planned each year.

Usherettes

The Usherettes, a service organization, was formed under the direction of Mrs. Imes two years ago. They usher at all home football games, plays, fashion shows, etc., during the school year. They receive no pay for their services. The only reward they get is the satisfaction that they are serving GUHS unselfishly.

Officers are shown in the picture at the left. They are, left to right, Mavis Fulks, treasurer; Margaret Abernathy, secretary; Francis Nash, vice-president; Dora Long, president; Mrs. Imes, sponsor.

These are the GUHS cameramen—the people whom you see behind the big black Speed Graphic. These are the figures you observe standing atop buildings to get a certain slant, or hanging from trees to get a picture at "just the right angle"; who are often sighted with a fist full of prints clutched in hands still smelling of hypo. They give you the pages of pictures in your annual, and the action shots of basketball and football games in your Hi-Lights.

Besides doing all this scurrying about for pictures, the club, under the direction of Mr. Morton Boss, sponsors such events as a cake and candy sale, and this year a school-wide photography contest.

National Honor Society

Brains, personality, service, leadership — all these qualities are combined in all members of Glendale High's National Honor Society, an organization devoted to those students who wish academic recognition.

Sponsored by Mrs. Davies and Mr. V. M. Bice, the NHS boasts members who not only made top grades and are school leaders, but who also participate in extra-curricular activities.

New members are elected annually by the faculty and in order to be eligible for club membership, must be included in the upper third of the class, scholastically.

The Pep Club

Giving all its support to the athletic teams and the many other school activities, the Pep Club comprises the morale boosters of Glendale High. The forty-five girls who make up this organization wear their uniforms to school one day each week, and attend all sport events. The Club, under the guidance of Miss Olga Markichevich, sponsors the annual Round-up Banquet and helps with the March of Dimes Drive every year. Each of these girls must maintain a good scholastic standing and be willing to make any sacrifice for GUHS. Officers are, left to right, Jerene Maierle, treasurer; May Tang, vice-president; Miss Olga Markichevich, adviser; Donna Kiser, secretary; Carolyn Northcross, president.

The 1950 Season

By Jerry Eaton

The 1950 Cardinal football squad started fast and then leveled off while compiling a three-won, six-lost, one-tie record.

Coach Peterson's single-wing Southern Methodist type offensive squad fought hard against heavier lines and faster backfields and despite the fact that they wound up seventh in the ten-team Class A league, GUHS was proud of the fight they demonstrated.

Highlight of the 1950 season was the Card's first out-of-state trip to California where they played Herbert Hoover High School of San Diego and lost, 30-6. The day after that game, the Cardinals journeyed to Los Angeles and watched Southern California beat Oregon, 30-21, in the L. A. colliseum.

Glendale opened its season by coming from behind in the final two minutes to stop Prescott at Prescott, 19-7. Trailing 7-6 with minutes remaining, the Cards recovered a Badger fumble on the Prescott 18. Halfback Don Manning fired a pass to sophomore sensation Tom Ramirez on the Badger one and quarterback Duane Hellam bucked over for the score. Seconds later Manning intercepted a Badger desperation pass on the Prescott 26 and scored again to clinch the game.

In the next game played at Glendale, St. Mary's scored in the first period and that was it as Glendale lost to the strong Phoenix club, 6-0. Line play for Glendale was terrific and Bombo Aro, selected second string all-state guard at the end

of the season, George Mitakowa, and Don Gunnell were tough on defense.

Glendale tripped Amphi of Tucson, 20-6 as little halfback Buddy Eto ran wild. Eto was chosen the Cards' outstanding player of the year for his hustle, hard running on offensive, and demon like fight on defense.

And A Team Plays Well

The Season Record (Continued)

Phoenix Tech fell to Glendale, 27-7, for the Cards' last win of the season. Glendale lost to North Phoenix, 33-0; Hoover High, 30-6; tied West High, 13-13; lost to Tucson, 34-6; bowed to Mesa, 14-6; and fell before Yuma, 24-0. The Cards played their best game of the year as they held undefeated Mesa to a meager 14-6 victory.

Captain George Mitakowa played good defensive ball for Glendale all year. Tom Ramirez, Buddy Eto, and Gene Hutchinson were tops on offense. Don Holley, voted '51 captain for the Cards kicked all of Glendale's extra points and was outstanding on defense. Don Beall was Glendale's best punter and got off an 80-yard boot against St. Mary's Knights. For next year Jim Rauschkolb, Jim Hampton, Charlie Hallmark, and Dave Tolmachoff look like top notch replacements.

All of Glendale's players from the brightest star to the most insignificant scrub played hard with the purpose of winning always in mind. They never quit when North High scored four times in the first quarter to run up a 26-0 quarter lead. They never quit when Tucson tore them apart in the Old Pueblo, 34-6. The Cards' 165-pound line smeared Mesa's 200-pound line as the hard pressed Jackrabbits managed to eke by Glendale only on the advantage of weight, not fight.

Glendale rooters will remember boys like Captain George Mitakowa, 135-pound Buddy Eto, Don Gunnell, George Mitakowa, Duane Hellam, Ted Beam, Ralph Howell, Jim Laughrun, Don Manning, and Jon Nickerson, all seniors who carried the load on the 1950 varsity.

BASKETBALL

Coaches Gieseke, Whatley, Wynn

As far as 1951 was concerned, Glendale High School didn't have a winning basketball season. The junior-studded lineup of Cards won three and lost 17. The inexperienced Birds, coached ably by Coach Gieseke, were too slow and too short. But, using the zone defense in their last game against Tucson, the Cards looked like champions. In 1952 Glendale won't finish in the Class A basement. They will be high in the Class A first division. The 1952 Cards will have worlds of experience with which to revenge losses suffered in 1951.

The Cards lost their first three games and then outscored Yuma, 59-50. Glendale then slapped down Peoria, lost two, and then whacked Amphi, 59-48. That was it. The Cards lost twelve games in a row and finished the season by bowing to Tucson, 54-46.

Woody Clark, a junior forward, compiled a 13-point per game average for the Cards and laid a claim to all-time Glendale scoring records by cramming the nets for 29 points against Mesa. Bob Warren racked up a 71% free throw average and Ross Anderson, 6'3" Ray Hoopes, Don Holley, Terry Gyger, and Gerald Sandarg all played good basketball. Prospects look good for next year.

Jayvees

Improvement was the keynote as Coach Wynn's JV Chicks finished the 1950-51 hoop campaign with a 5-15 record.

The team started out with little experience, but developed a tight defense and a sometimes potent offense. Bill Floyd was the scoring leader, followed by Ken Ashinhurst, and Jim Rauschkolb was the floor leader.

Coach Crouch shows Ray how to hit a long one.

Varsity Season

After two years of rebuilding, the Glendale Cards, coached by Mr. Bob Crouch, showed signs of becoming one of the toughest Class A baseball nines in Arizona.

With Ray Sorenson doing most of the pitching and Tom Tomooka and Don Holley the hitting, the Cards moved into fourth position in Class A play as the annual went to press. Sorenson blanked North High, 10-0, and Phoenix Tech, 5-0, to become one of the best pitchers in Glendale history.

The Cards possessed plenty of hitting power and had a nifty infield combination with Holley at first, Tomooka at second, Bob Warren at shortstop, and sophomore Rex Brewster at third.

The Cards have been outclassed only once so far this season in Class A play, bowing to Tucson in the Old Pueblo, 11-1. When Tucson comes to Glendale the Cards should get revenge. Next year the Cardinals should be strong although Sorenson and Tomooka, juniors this year, will be ineligible in '52.

Jayvee Season

Developing a JV baseball club from freshmen, sophomores, and a few junior boys, Coach Vernon Bice molded his charges into a hustling, winning team.

With nearly half the season played as the annual went to press, the JV Chicks had a respectable .500 record playing against tough opponents.

Glendale Cindermen

Varsity Season

A cindered track, a new coach, the Cards' first dual-meet victory in two years, the Valley Championship track meet, and a hustling squad were the highlights of a busy 1951 track season.

The 20-30 Club was responsible for the cindering of Glendale's track and with the Glendale High School and the Glendale NEWS, the 20-30 Club sponsored the Glendale Invitational track meet here for the second consecutive year. Over 200 trackmen from 13 schools participated in the Invitational.

Coach Chief Wynn, the new cinder boss, pepped up a Cardinal team that hadn't won a dual meet in two years. The cards knocked off Amphi of Tucson and will probably add more victims before the season is over.

Bill Roberts cracked the Glendale high jump record, leaping 6'2½", and Jon Nickerson, pole vaulter, and Ken Barber, freshman weight man, were outstanding performers on the '51 Cardinal track squad.

JAYVEES—Front row, Coach Gieseke, Denny Harmon (mgr.), Dirl Dennis (mgr.), Ben Tadano, Morris Tolmachoff, Tom Mansfield, John Davis, Wendell King (mgr.), Bob Kawa (mgr.), Coach Wynn. Jayvee Season

The 1951 JV track squad gave promise of providing the '52 varsity with an abundance of good material. Coaches Whatley, Gieseke, and Palmer began a period of rebuilding with this year's JV team and have done a commendable job. The JV's looked formidable in their meets and have several potential stars for the future.

SERVING THE STUDENTS OF GLENDALE HIGH SCHOOL

Volume XX | GLENDALE, ARIZONA, WEDNESDAY, DECEMBER 20, 1950 | Number 7

'Migratory Labor In America' To Be Future Forum Topic

"Migratory Labor in Arizona", is the topic for the next Inter-High School Unit Forum meeting, to be held at the Red Cross Headquarters, January 20.

Darrell Parker is to be the guest speaker. The problem of migratory labor will be discussed on a nation-wide basis.

"Children's Colony - Fort Grant", and "County Detention Home" are the topics on the agenda for March 17. John Walker, a county juvenile probation officer is the speaker.

Gene Doyle, well known restaurant owner, is to speak on the State Hospital, April 21.

A field trip is scheduled on May 12, for those people who have attended regularly.

Several suggestions for future meetings are the "Florence Crittendon Home", with its director of girls, Mrs. Ethyl Hinton, as guest speaker. "The Convent of the Good Sheppard", is another, with Sister Mary Bernard, principal, discussing it. The last suggestion is "State and County Welfare from State Labor".

In the past the forum had Judge Bernstein of the Supreme Court, who talked about the Juvenile Court. On November 18, Dr. Woelke discussed the "Indian Problem In Arizona", highlighting crowding on reservations and the proper usage of lands.

On December 9, "City and County Health Services" was discussed by Dr. Dolce.

The purpose of the forum is " . . . to make available to the members in the monthly Saturday morning meetings . . . as complete a picture as possible of the Social and Economic Welfare conditions in our community, so that they, as future citizens, will understand more clearly the problems that will confront them."

These meetings are open to the public and held from 10:00 to 11:30 a.m. each month.

Band Group Will Sponsor Xmas Dance

The Santa Claus Ball, sponsored by the band lettermen, will be held in the cafeteria Friday, December 22, from 9 to 12.

Tickets for the formal will be sold at the door for a dollar per couple. No stags will be admitted.

The GUHS dance band, under the direction of Albert O. Davis, will furnish the music.

The Santa Claus theme will prevail in the decorations. Small Santa Clauses and reindeer will be prevalent around the room.

Chairmen of the various committees are Janet Bailey, decorations; Don Mueske, publicity; Peggy Aiken, refreshment; Max Taggart, tickets and programs.

Students working on the committees are Mary Clark, Jimmy Hourihan, Vola Rayburn, Arthur Plate, Nena Taylor, Peggy Williams, Kenneth White, decorations; Dick Spinney, Kenny White, Eileen Aiken, publicity; Kathryn Savatone, Shirley Thompson, refreshments; Jack Hook, Don Redman, Gary McClure, tickets and programs.

The dance is the last function of school until after the holidays. However, unless the attendance is as much or more than last year, the formal will be discontinued, according to Mr. Davis.

The faculty is invited to attend free of charge.

The publicity which is being dispensed daily third period over the public address system has been written by Mrs. Novilla Burton Lale, freshman and sophomore English teacher.

Work Progresses On Glendale Float Entry; 'As If By Magic' Chosen For 1951 Theme

"As If By Magic" will be the theme of the year's GUHS float entry in the Salad Bowl Parade, New Year's Day.

According to Barbara Molidor, chairman, and Elmer Duncan, co-chairman, rapid progress on the float construction has been made since work started three weeks ago. Work is on schedule.

Upon completion of the float, it will be put on the regulation platform, and, at 7:30 a.m. on New Years, Day, will be hauled to Central Avenue and McDowell Road where the parade will start.

The float, pulled by a jeep, will follow the convertible carrying Glendale High's Salad Bowl Princess, Karen Beck.

All floats in the parade will be based on the following points: general all-over beauty, 20 points; excellence of design, 20 points; originality, 20 points; uniqueness, 20 points; and workmanship, 20 points.

Any GUHS student may work on the float in his spare time, but no one will be excused from any classes.

Last year's float, based on the theme, "The Hidden Crutch," won the Sweepstakes Prize for the best parade entry.

Cardinal Chorus Presents "The Messiah"

Photo by Larry Shaw

The GUHS mixed chorus has been asked by KOY to sing Christmas music during the holidays.

Rehearsals will take place Wednesday, December 20, at the main studios of KOY. The bus taking the chorus to Phoenix will leave at 12:45.

The numbers the chorus will sing are: "The Holy City", "What Child Is This", "Bells Over Bethlehem", "Beautiful Is The Earth", and "Let Freedom Ring".

The advanced girls' chorus will sing at the Rotary Club December 21 for its Christmas program.

The chorus presentations will be: "Christmas Eve", "Winter Wonderland", "Jingle Bells", and "The Holy City".

The freshman girls' chorus will furnish the music at the Christmas play, December 22.

Members will sing two songs before the play, and will provide the background music throughout the program.

Thanks And Goodbye Mr. Joy

(Editorial)

With the end of this year, GUHS must say good-by to Mr. Sam Joy, who for the past ten years has served on the high school board of education.

Giving generously of his time and labor, Mr. Joy has been instrumental in seeing that Glendale Union High School obtained adequate facilities for its steadily increasing enrollment. He has been instrumental in building up one of the best faculties in the state, and he has worked hard while this school tripled in enrollment, all the time going to bat to see that the students got the breaks whenever possible.

With Mr. Joy's resignation from the board the students of Glendale Union High School are losing one of their most loyal and helpful friends.

We wish you happiness and prosperity, Mr. Joy, and above all, we hope your health improves.

English Classes Hold Holiday Parties

Students of Mrs. Lale's Everyday English classes have celebrated the Christmas Season by planning and preparing Christmas parties for their classes.

The parties not only were for the classes but the dues they collect each week from class club dues were sent to various organizations to help them have a merrier Christmas.

The second hour class, known as the "Lazy Loafers", sent their $5 to the "We Remember Club," a veterans organization in West Virginia.

They invited as their guests for the party Mr. Potter, Mr. Ashe, Mr. Thomson, and Mrs. Menard.

The "Baby Bright Brains," in Mrs. Lale's fifth hour class are sending their $5 to the Boys' Ranch in Amarillo.

Mr. Potter, Mr. Ashe, Mr. Thomson, and Mrs. McGowan were their guests.

The sixth hour class is sending their $5 to Father Flanagan's Boys' Town in Nebraka.

The "Darling Dare Devils" invited Mrs. Menard, Mrs. McGowan, Mr. Potter, Mr. Ashe, Mr. Thomson, and Mr. Whatley to be their guests for the party.

A movie, "The Guiding Star," was shown to each class before their party, and refreshments were served.

A host and hostess were selected from each class to greet their guests as they arrived.

Band To Hold First Annual Military Ball

The first band Military Ball will be held in the Glendale Civic Center January 20, from 9 to 12.

Bands from all over the valley have been invited to the ball sponsored by the GUHS band.

One member in each couple must be a band member and attend by invitation only.

All boys in the band will wear band uniforms and girls will wear formals.

The military theme will be carried out in the decorations and a floor show will be presented in the evening.

Mr. Everett Gulick Added To Faculty

Mr. Everett Gulick, this week replaced Mr. Paul Hange as shop and science teacher and freshman football and basketball coach.

Mr. Hange and his family have moved to West Virginia, due to the ill health of his wife and daughter.

Club Series

Hi-Y Purpose To Create Student Standards Of Christian Character

To create, maintain, and extend throughout the school and community high standards of Christian character is the purpose of this week's club, the Hi-Y.

This club is open to any boy attending GUHS and the meetings are held every other Tuesday at 7:30 in Room 27.

The club has a Mexican Gray-Y which they sponsor and every Friday two members go to Glendale Grammar School and supervise games, coach boys, etc. They are also engaged in several community projects.

The officers this year are: President, Harold Lundberg; Vice-President, Collis Brazill; Secretary, Eddie Brown; Treasurer, Don Brown; Chaplain, Ted Swift. Mr. Scott is the Club's sponsor.

Saban Elected Proxy

Mr. Bill Saban, GUHS teacher, has won the honor of being elected president of the Arizona Business Education Association. He was elected December 9.

Any business education teacher is eligible to belong to the Arizona Business Education Association. The club's purposes are to develop new and better teaching techniques, and to help all business teachers in Arizona to become acquainted.

The fall meeting will be held in Tucson.

Eight Needy Families Receive GUHS Help

In order to bring Christmas cheer to others, the Girls' League and Boys' Federation are giving help to eight needy families.

Each class of girls—freshman, sophomore, junior, and senior—is taking a family. Each class of boys is doing the same.

The students are working in committees to gather food for a Christmas dinner, clothes for the children and parents, and toys.

Stockings are also being filled with candy and fruit for the children.

Mrs. Imes and Mr. Potter called on each of these families to learn the size of the family, their ages and what was needed most.

Each student is asked to donate anything he can from soap and canned goods to clothes. Everything is needed.

Cuddihy, Bowers, Fugate, Rabe And Anderson Head Third List

The GUHS honor roll boasted an increase of 50 students in the second six-weeks grading period, with a total of 199 persons listed.

At the top of this scholastic list are five 20-pointers: Joanne Cuddihy, Elaine Anderson, Marilyn Rabe, Burton Fugate, and David Bowers.

● 18 Points

Pat Ross, Thelma Avis, Harold Lundberg, and Janet Kennedy compiled 18 points each.

If this list is incomplete and some names do not appear, complaints should be made to first period teachers.

Annual GUHS Fashion Show January 11 To Be Based On 'Cinderellas Of Today'

Based upon the theme, "Cinderellas of Today," Glendale High's home economics department will present its annual fashion show January 10 in the GUHS auditorium. Mrs. Hugh will direct the production.

Participating in the program will be four sewing classes, three first-year classes and one junior and senior class, with upperclassmen who are in their first year of home ec.

Student models will wear clothes of their own making, which were made in class, or in a few cases, as home projects. Most of the clothes will be made of cotton material with several of corduroy and flannel.

Mistress of ceremony will be Betty Walker, GUHS senior, who will introduce Mrs. Hugh and other speakers: Loretta Mardian, senior; Margaret Abernathy, freshman; Phyllis Lowe, freshman; and Doris McClary, freshman.

All mothers of the girls participating in the presentation, along will all GUHS girls, are invited to the fashion show.

This is the first of two annual fashion shows. Another is scheduled for spring. This will be presented by the advanced students and a more select variety of materials and styles will be featured.

Each of the classes that will be in the show has a definite assignment concerning their future production. Mrs. Hugh's second hour class has charge of stage decoration and lighting; third hour class, programs and ushering; fourth hour class, invitations; and fifth hour class, the selection of script material.

Glendale Hi Clubs Attend Activities; FHA Initiates

Pep Club- The club as a group went to the North High basketball game, Friday December 15. A meeting was held before the game. Plans were discussed for the Club's Christmas caroling program.

Y-Teens- Jackie Fine, Doris Portenier and Miss Dawson, represented Glendale at the Inter-Club Council meeting held at Rosemary Lodge near South Mountains, November 28.

Attending the meeting were Y-Teens from all over the country. Discussed were plans for a Christmas program at the YWCA in Phoenix and a calendar of activities for December was planned.

At the last Y-Teens meeting, Tuesday, December 5 at 7 in room 1, the Y-Teeners planned the months calendar and a party that is to be given Tuesday, December 19, for all new members.

Photo Club- Members of the photography club and classes are now busily engaged in finishing their Christmas project of making Christmas cards, according to Mr. Boss, club sponsor. "They are really doing a fine job and making some beautiful cards."

FHA- If you noticed girls running around with red and white bows in their hair and odd socks on their feet you can blame it on the FHA initiation which was held Wednesday, December 13. A party was given for new members following the event.

Y-Teens Try To Build Character

The Y-Teens, Hi-Y's sister organization's purpose is to "build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christains."

In an endeavor to carry through this purpose, the club seeks to find an understanding of Jesus, to share His love with all people and to grow in the knowledge and love of God.

On the Y-Teen calendar for the year are numerous activities. As a branch of the YWCA, GUHS's Y-Teens are also included in the plans.

They are eligible to attend the World Fellowship program held in Phoenix every year. Here women and girls are trained to be YW counselors. In this program two girls represent each club. "Another activity that is a lot of fun," according to Y-Teens president, Doris Portenier, "is the Hanging of the Greens that was held at the YWCA on December 17 for the public."

As for Glendale chapter's own recreation, the club has had field trips to radio stations, soft drink factories, and dairies. Distinguished speakers have addressed meetings. An overnight trip to Rosemary Lodge, and fall and spring conferences are other highlights. The fall conference was held in Wickenburg at the Renauda Guest Ranch and was attended by girls from all Y-Teen chapters.

Officers of the club are presi-

HI LIGHTS

1912

Dedicated to Serving the Students of Glendale High School

We're Sorry, Photographers . . .

Cardinal Hi-Lights has been slighting Glenn Schill, Larry Shaw, Richard Beery and other members of the photography classes.

These students have taken many of the pictures which have appeared in Hi-Lights this year and have not been credited with them. This has been mainly due to the lack of information on which pictures each photographer took.

Beginning with this issue the paper will try to rectify these oversights.

Glenn took many of the sports pictures, the band formation pictures, freshman initiation, essay contest, the student mixer shot, senior announcements, and the Crusade for Clothes picture.

Larry Shaw took the Homecoming King and Queen picture, some football pictures, and the play shots.

Richard Beery took the pictures of the Fair Exhibits.

Besides taking pictures for Hi-Lights, several students are taking pictures for the annual. They are Glenn Schill, Larry Shaw, Richard Beery, Don Beall, Troy Parker, Caroline Weaver, Betty Bruce, Mary Peterson and Lee Anderson.

CULTURE CORNER

Straight Off The Cob

By JIM LAUGHRUN

(Christmas Edition: that's why it's longer)

It sure seems swell to know that we get out Friday for Christmas vacation. I like Christmas. Beall and I have a little game we play. We try to see who can get the most expensive-looking present for the least amount of money. I was disgraced last year. I gave him a box of Lifesavers that looked like they were worth about 75 cents. They were.

He gave me a belt that looked like it cost three or four dollars. It did. Beall's uncle gave it to him and it was too short, so he wrapped it up and gave it to me.

I'll fix him this year, though. I bought me a football game a couple months ago where the players move and everything. Boy, it really looks classy and expensive. I hope Beall likes it. There is only one catch—the dadgummed players move backwards half the time and the other half they don't move.

When I asked my grandfather for Christmas money you should of heard the tale of misery that he said he went through to get money when he was a kid. I asked him at 7:30 and then went outside to milk the cow. I got back just in time to hear the second half of his story.

He had a very happy childhood and spent money like water until he reached the age of four. Then his dad gave him a pair of long pants and the keys to the tractor.

From then on he worked from the first rays of light till his lantern ran out of oil at the end of the week. With only time out for school, which was 10 miles from his house. Naturally he walked. Also naturally there was snow 5 foot deep.

When he finished all his work, which consisted of milking cows (20), feeding horses, spreading fertilizer, plowing and planting the fields, etc., he got to play with his little friends from two till four on Sunday.

After he got through with his factual tale he asked me if I still thought he ought to give me money or if I thought I ought to earn my own. Personally I wasn't thinking either. I was thinking that if he was as capable then as he is now he had the best fertilized fields in the state.

Since the Korean war all the boys over 16 are naturally worried about the army. Not that they are losing sleep over what happens to the army but it does worry them whether the army will have one more prospective member when the mail comes the next day.

Of course we could stay on the home front. I read where it is very simple to keep from being hurt by an atomic bomb. Merely be in a different country at the time it is dropped.

If things get worse and everybody starts getting drafted I have been informed by a very good source that the air force is the best branch of the service. The requirements are really strict though. You even have to have good teeth. If you don't have good teeth, join the Infantry. They don't get anything to eat anyway. I take that back. They do get a pint of powder which is supposed to be fried egg, roast beef, and milk. I may be stupid but I don't see much difference between that powder and plain old dirt except that you can at least make mud pies if you take the dirt.

Manning and Hallam want to go in the air force with me but I'm not that dumb. If those guys were in the same plane with me and it caught fire they would tromp me to death trying to get to the door first.

That brings up another problem. If you are the pilot and the plane is shot down or catches fire you are supposed to let the other guys out first and then you're supposed to get out the best way you can. If I was pilot I would tell the co-pilot to drive for a minute and I would open the escape door, yell "Jump, the plane's on fire!" and jump. I don't know about the rest of the guys but I would rather be a live coward than a dead hero.

Here's wishing you a merry Christmas and me a lot of presents,

Campus Personality

Uncle Pete

By BARBARA MOLIDOR

Hollywood had him once and now we do. Tha's this week's campus personality, Coach Bill Peterson.

1924 is his birth year; Minneapolis, Minnesota, his birthplace. But it was at the age of two he really started living. At that time, he took his little paw and a pen and a bottle of ink and signed a contract with Uncle Joe's Incorporated, now MGM, and started emoting. After 15 years of hard work, long hours, little food and a several million dollars our "Uuncle Pete" retired from the screen to attend college.

He was born naturally smart! I don't know if it's true or not, but that's what Pete told me. That's the way he is, you just can never tell whether he is joking or not. You just have to judge for yourself.

He attended the University of Minnesota in 1942. In the same year he got a hurried call from Uncle Sam and spent the next four years in the Air Corps. When he returned to civilian life he again returned to college but this time to the U of A where he received his Bachelor of Science degree. Upon graduating he started teaching and coaching here at GUHS.

As for teaching he says, "Oh, I love it, and the students must be brilliant because they all make ones."

Pete, as a coach, didn't produce a state championship team but it can certainly be said that he had the fightingest team in Class A. They never stopped trying and certainly deserve plenty of credit.

Much had been said about school spirit and backing our team. Pete just said, "It's terrific." He uses that word to describe just about everything. Especially his wife and three-year-old daughter, his wife's spaghetti, and sports of any kind.

COACH PETERSON

The only unterrific things he can think of are mustaches, motorcycles, and tatoos. All of which he claims are the ruination of the world.

He is just a pretty satisfied guy. Never hurries, never worries, always a lot of fun, if you can tell when he is joking, which is nearly always.

"Uncle Pete" deserves a lot of credit for his assistance with the teen canteen. He and his charming wife Betty really worked hard, along with the kids, to make it the success it is.

His answer to the inquiring reporter question, "What do you want for Christmas?" was quote—a baby boy—unquote, and with a devilish grin adds, "If we have one he'll probably grow up to be a cheerleader."

●It looks like Glendale will have a terrific basketball team next year. But what about this year?

In the opening game of the season against Phoenix Tech everyone--the student body, the alumni--thought the Cards looked like great prospects. They hammered the nets for 38 points at halftime for a 13-point lead, but finally lost, 62-55. In the second game against Phoenix Union the Cards looked unpolished, losing 62-37.

●Glendale is unique in that its starting five are all juniors and that the average height is only about 5' 11". It's a well balanced squad. Ray Hoopes, 6' 3" center, can develop into a top-notch rebound man and a heavy scorer. He needs to build up speed and more endurance.

Woody Clark, forward, was a sensation his frosh year, scoring heavily in every game. He should average 10 points a game for the Birds this year. Gerald Sandarg at the other forward slot is a consistent scorer, but he too needs polish and poise. He's a good rebound man.

●Guard Bob Warren is the one, besides Hoopes, who holds the team together. He's 5'9" of dynamite that passes, shoots, and dribbles like a pro. Warren has found a lot of hustle he lacked last year. If you notice the box scores you'll see Warren gets and makes the most free shots. He's fouled a lot in his aggressive drives toward the opponent's basket. Warren is also a good baseball player and could easily make good if he ever turns pro after his high school days are over. Warren is an athlete who doesn't look like an athlete. Lot's people think he's got ice water for blood. Tests prove he has.

At the other guard post, Terry Gyger is the overlooked man on the team. He's only 5'9" but he's the top hustler on the squad. Gyger is the team man so important in the success of a winning five.

●Maybe they won't be terrific this year, but, to use a bromide--wait for next year. Coach Gieseke has something in these boys. If they come along as he expects them to, the Cards will be capable of springing some upsets in the state tournament in March.

Congrats to Bombo Aro for making the Arizona All-Star second team football squad for 1950 . . . Too bad Aro, a junior this year, is ineligible for the next football season . . . Coach Peterson is working out with several gridders, most of whom will be college frosh next year . . . Pete's teaching them the rudiments of college football and the gridders are staying in shape besides . . .

●Track shorts: Coach Wynn already is planning ahead for the track season . . . He reports that the Devil's highway—commonly known as a track in other schools but a shambles here—will be fixed up for '51. Anything will be an improvement over what we've got now. In going over the prospects event by event a startling shortage is noted in the sprints and hurdles. However, Coach Wynn plans to have everyone run hard and work hard. That's what makes track teams. Wynn makes 'em.

Roman around: None of the starting five on the basketball team played football this year . . . Got specialists on the team . . . Coach Gieseke reports tall Tom Cash, last year's giant hoopster, is one of the starters on the U of A frosh team . . .

●As 1950 comes to an end, we've got two things we'd like to see happen: (1) Either get a new gym or schedule most of the basketball games away and (2) Replace the "wooden wonder" we've got for a football scoreboard and get an electric one. If this isn't possible tear the thing down and next year, if a better scoreboard isn't secured, have the football announcer read out the score and how much time is left play. The scoreboard is like the United Nations. It's there but it doesn't do anything.

We'll pick Tempe to take the Salad Bowl game from Miami U. of Ohio in a wild-scoring affair, 28-26.

—Girls Sports—

By McGINNIS

●Volley-ball seems to be the active sport of the girls at GUHS now. The sport has just been completed in the girls' PE classes and numerous tournaments between different valley schools have featured it.

Volley-ball tournaments were run off last week in Coach Martin's PE classes. Single elimination games were played.

●Captains elected in the second hour class were Pat Regan, Dorothy Schmoker, Betty Johnson and Barbara Okabayashi.

Third hour captains elected were Shirley Anderson, Ginger Lee, Charlene Junker, and Joyce Hanes.

● Fourth hour captains were Laura Potter, Mary Alexander, Mary Reay and Carol Dunkel.

Captains in the fifth hour class were Norma Lindley, Eva Cooper, Nita Hale, Lynn Takeuye, and Suzanne Hyllested.

●Glendale High School girls' volley-ball teams participated in the invitational volley-ball sports day held at Tempe State College, Saturday, December 9th.

Six valley high schools entering the volley-ball sports-day event sponsored by Chandler were Tolleson, Tempe, Yuma, St. Mary's, Glendale, and Chandler.

●Glendale High School and Tempe High School tied for first place honors.

Girls on the first team, coached by Mrs. Martin, were Louise Watson, Marilyn McDonald, Suzanne Hyllested, Lulu Long, Carol Regan, Sharon Sullivan, Betty Hackley, Lynn Takeuye, Glenda Rowland, and Kathy Poston.

●On the second team, coached by Miss Fredell, were Pat Fowler, Barbara Walker, Joanne Cuddihy, Pat Regan, Anna Bagwell, Carolyn Northcross, Irene Hernandez, Helen Tang, Dorothy Schmoker, and Norma Lindley.

* * * *

Another volley-ball game was held at Peoria December 12.

●The Glendale junior-senior team won the first two games straight in a two-out-of-three game series.

The freshman team and the sophomore team from GUHS split the first two games with Peoria. The freshmen lost and the sophomores won.

●Glendale won the third and final game to take the series.

Basketball practice for girls will begin soon after Christmas vacation. Teams will be chosen to represent GUHS in the basketball sportsdays later on.

Lynn Takeuye, a junior at GUHS, has been awarded her GAA athletic letter. She is the only junior girl to receive her letter so far this year. By earning her letter, Lynn automatically becomes a member of the Letter-girls Club.

Next on the agenda for sports is six-player touch football for girls.

●The rules by which the girls will play were drawn up especially for this version of football.

In college, Coach Martin helped draw up the rules—so--no cheatin' girls—she won't need the rule book to tell you you're wrong!!!

●The marching squad and band from GUHS will march in the Salad Bowl Parade, along with the float Glendale will enter in the parade before the Salad Bowl Game, January 1.

Birds Lose Close Tilt To Mustangs

NP's veteran but not too impressive Mustangs nearly blew a 12-point fourth quarter lead but held on to edge the Glendale Cards there December 15, 56-50.

The Cards' loss to North Phoenix was Glendale's third straight defeat of the 1950 basketball season. NP's record now stands at one win and one loss.

Bill Burk and Gene Mitcham scored 38 points together to account for 68% of the Mustang's markers. Burk got nine of the Hosses' big 21 points in the third quarter as NP pulled away for keeps from the persistant birds.

Mitcham single-handedly put the Mustangs into a 16-12 first quarter lead by scoring eight of 18 points in that frame.

Glendale's Woody Clark got hotter than a firecracker in the second period, scoring nine points to boost the Cards within one point of NP at halftime, 26-25.

But the accurate Nags ran away in the third quarter and withstood Glendale's bid in the final quarter. Floor general Bob Warren hit six for six on free tosses and wound up with 12 points for the evening, one less than Clark with 13.

Loss of gigantic center Ray Hoopes who fouled out early in the fourth quarter, cost Glendale points that could have meant victory. Hoopes had four personals at halftime, but still scored six points despite the handicap.

Inexperienced JV Lose Two Games

Showing a lack of experience and an inconsistent scoring combination, the Glendale JV Chicks were swamped in their two opening games of the 1950 basketball season here, losing 48-24 to Phoenix Tech and 52-24 to Phoenix Union.

The Tech Bugs leaped into a 13-4 quarter lead and were far out in front, 23-10, at halftime and 31-22 at the three quarter mark. Jim Rauschkolb led Chick scorers with six markers followed by Eddie Brown with five.

Glendale committed 27 fouls and cashed in on only six of their 18 gift shots. The Chicks couldn't hit the scoring column with regularity and were held to a single basket in the fourth period. Score by quarters:

Tech:	13	23	31	48
Chicks:	4	10	22	24

Phoenix Union Game

Phoenix Union's JV's ran away from the Glendale Chicks here December 9, winning easily, 52-24.

Glendale had to score via free shots, making good on 10 points from the free throw line. Phoenix checked the Birds' scoring and pulled away steadily from a 14-5 first period advantage. Don Mensendick with six points topped the Chicks in scoring.

Action In P.U.H.S. Game

Photo by Glenn Schill

Ray Hoopes seems to have the advantage over the Coyote center in the tap-off for the game which the Cards lost 62-37. Ready to go into action are Terry Gyger, coming in from the left, Woody Clark, number 14, and Gerald Sandarg, far right.

Hornets Humble Cards, 62-55, In Season Curtain-Raiser; Coyotes Follow Suit, 62-37

Phoenix Tech roared back from a 13-point halftime deficit to trip the Glendale Cards here December 8, 62-55, in the 1950 curtain-raiser basketball tilt for both squads.

Frank Martin of Tech put the Hornets ahead 52-50 midway in the fourth quarter for the first Hornet lead of the game. Glendale couldn't close the gap and it was Tech who controlled the game the rest of the fourth quarter, pulling away steadily for a comfortable lead.

The Cards started like a house afire, leading 19-12 at the quarter and 38-25 at halftime. The loss of towering Card center, Ray Hoopes, who sustained a sprained ankle in the second quarter, cost the Birds control of the backboards.

Photo by Glenn Schill

RAY HOOPES

Tech cut Glendale's lead to 48-44 in the third quarter despite the Herculean efforts of juniors Woody Clark and Bob Warren who canned 18 and 13 points respectively for Glendale. Ross Anderson, who replaced Hoopes at center, played an inspired game for Glendale. Tech outscored Glendale in the wild-fouling game, 31 to 27 on free throws.

PUHS Game

Sharpshooters Dick Daugherty and Louis Grijalva with 17 and 12 points, respectively, paced Phoenix Union to a surprisingly easy 62-37 rout over Glendale here December 9.

The loss, Glendale's second straight setback of the young 1950 hoop campaign, showed the Cards' lack of experience and inability to get close-up shots through the tough PU defense.

Grijalva and giant center Dave Milner boosted the Coyotes into an early 4-0 lead that Glendale could never overcome. The Birds fell behind steadily. The Coyotes peppered the basket with long shots and broke through the Glendale defense for numerous lay-up shots.

PU led 15-6 at the quarter, 33-19 at the half, and sailed along to a 46-25 third period advantage. Gerald Sandarg was high point man for the Cards with 10 points while Ross Anderson followed with 6.

Center Ray Hoopes was held to two points and Woody Clark, hotshot junior pointmaker, netted only five. The Cards' shooting was way off and their ball handling was spotty as the Coyotes made several baskets by capitalizing on Glendale mistakes.

NP Hosses Slip By Frosh Hoop Squad

Dropping a one-point lead they held in the last minute of play, the freshman basketball team lost a close game to North High, 27-24, on North's home floor Thursday, December 14.

Failure to rebound and lack of good ball handling caused the frosh to trail one to four points throughout the game, but a six-point surge late in the fourth quarter gave them a one-point lead with forty-five seconds to go.

Bombo Aro All-State

Bombo Aro, Glendale's tough right guard, was voted to the second team All-State Football Team for 1950 by the Arizona State Coaches' Association.

A 165-pound junior who is ineligible for football competition next year, Aro was crowded out of a first-string berth by Bob Melton, 201 pounds, of North Phoenix and tub-by Glenn Bowers, 235 pounds, of Mesa. NP's Gus Poulos notched the other second-team guard spot with Aro.

BOMBO ARO

Aro played terrific defensive ball for Glendale all year and was the kickoff specialist for the birds. He is active in track and is a GUHS letterman.

North High and Mesa dominated the All-Star team, placing four and three men respectively.

Glendale Cagers Score First Win

Forward Woody Clark's big 21 points helped Glendale crack the victory column for the first time after three unsuccessful tries for a resounding 59-50 triumph over the Yuma Criminals December 16 in the Cardinal gym.

Clark and Bob Warren put Glendale ahead 4-0 in the first minute of the game for a lead the Cards never relinquished. Eight of Clark's buckets came in the first period as Glendale built up a 17-12 quarter lead.

The Cards led 30-26 at intermission and opened up a 45-35 third period advantage. Yuma's Bill Montana flipped in 12 points in the fourth stanza as the Crims rallied to slice Glendale's lead to 49-45 midway in the fourth quarter.

Glendale used its height to top advantage in the waning moments of the game and layups by Ray Hoopes, Clark, and Terry Gyger salted the game away for the birds.

Besides being the first Card cager of the year to make 20 or more points a game, Clark topped all Glendale point makers although Montana of Yuma scored 21 points. Gyger and Yuma's Pancho Alvarez both netted 13.

The Cards toyed with Yuma all the way and the Crims could never match the Cards on rebounds, long shots, or tip-ins. Glendale scored nearly at will and put on a fast breaking, fast scoring demonstration in the opening minutes of the third period to vault into a substantial 10-point lead.

On free shots the Cards completed 15 for 22 for a 68% average. Yuma had 14 for 34 charity tosses for 58% completed.

Cards Face Peoria In Next Tilt

The Glendale Cardinals tangle with their old rivals, the Peoria Panthers, here tomorrow and then take a half-month lay-off before playing Prescott there January 5 and West High here January 6.

Peoria has had a mediocre club so far this season but always puts up a stiff battle with Glendale. The Prescott Badgers stopped Yuma twice this year but were slaughtered by Mesa, 62-29. West High's second-year Thunderbirds stunned North High, 32-21 and lost an overtime thriller to Phoenix Tech by one point. Tech beat Glendale 62-55 in the Cards' opening battle of the season.

Junior Varsity Loses To North High 31-21; Falls To Yuma In 23-22 Heartbreaker

Coach Wynn's winless JV's fell before NP there December 15, 31-53 and bowed to Yuma's JV's in the last minute here December 16, 23-22 for their fourth consecutive loss

NP game

The slow-startig Chicks trailed NP's JV's all the way, after being behind only 13-16 at halftime.

Forward Dave Tolmachoff paced the Chicks with six points, followed by his forward mate, Bill Evans, who got four.

The Chicks demonstrated marked improvement in ball handling, poise, and teamwork but couldn't find a heavy scorer or score consistently

NP cashed in on eleven free shots of 25 attempted while the Chicks made 50% of their free tosses, nine for 18.

Yuma game

Trailing for three and one-half quarters and losing a one point lead in the final seconds, the Chicks lost a heart-breaking 23-22 tilt to Yuma.

Yuma held a 5-2 quarter lead and a 13-7 halftime advantage, and pulled ahead 18-10 at the three quarter mark.

Eddie Brown and Jim Rauschkolb scored four and three points respectively for the Chicks in their fourth bid for victory. The JV's lead, 22-21 with about 30 seconds remaining but a Yuma field goal sent Glendale to its fourth consecutive defeat.

ing; treat Mrs. Lale better.

Jacoba Lundberg— To try to hold my patience when Helen Tang runs my lunch every day.

Elisabeth Blackwell— To wear glasses and like them.

Mr. Zinser— To never go in the boiler house again. Ha! I know it's the first one I'll break.

Augie Grunow— I couldn't keep it anyway. No will-power.

Eldred Terry— Not to go with anymore girls. But I bet I'll break it.

Wynona MacDonald— Get out of bed in the morning the minute my dad calls me.

Eddie Wilson— To get a term paper for Mr. Branson next semester even though it was due this semester.

Dorothy McGinnis— Show Mr. Zinser I can get to civics on time.

Flossie Small— Be just a little better everyday in everyway—somehow.

Tommy Teraji— Just be good and I'll be doin' good.

Molly Lindsay— Quit my gamblin' and my ramblin'.

Bonnie Gillum— To get a man.

Tommie Alexander— Start living.

Coach Wynn— To make a 4:40 man out of Hellam.

Jim Roscoe— Build a fence around Lorene.

Ronnie Hancock— Act human for a change.

Jackrabbits And Badgers Tied For Class A Honors

Defending champion Mesa Jackrabbits and the Tucson Badgers are tied for first place in the Class A standings with three wins against no losses after two weeks of the 1950 basketball season have slipped by.

Mesa got by two stern tests last week by thumping PU and NP by 44-35 and 36-29 scores respectively. Tucson's Badgers mauled Amphi, 76-31 and dropped thrice victorious Phoenix Tech, 59-56. Prescott holds fourth place behind Phoenix Tech while West High's surprising Thunderbirds follow with two losses and two victories.

The North Phoenix Mustangs have a shaky one-two record with a win over Glendale, 56-50 and losses to West High by one point and a 36-29 defeat by Mesa. After three unsuccessful tries the slow starting Glendale Cardinals outscored Yuma, 59-50 to hand the Criminals their fourth loss in five games. Yuma won a forfeit game from Amphi for its only Class A triumph. The Panthers hold down the unwanted cellar slot with no victories and three losses.

School Plans Call For Fall Opening

The second unit of Glendale High will open at Dunlap and Central in Sunnyslope next September unless unforseen difficulties arise.

According to Mr. Ashe, bids will be called for about the middle of February and it is hoped that contracts can be let by the first week in March.

If this school can actually be in operation by next term, it will greatly relieve present crowded conditions at this school. Mr. Ashe does not expect to have 7:30 classes next year nor does he think the 10:30 bus run will be necessary.

ASTROLOGY

Horoscopes and Birthdays

By BARBARA MOLIDOR

Those persons born between December 21 and January 19 have been born under the sign of Capricorn.

These people get about the worst break in the astrological calendar, since Capricorn is the goat.

A soup-can of Mercury, which rules the mind, added to the Caps would not be amiss, since your Capricornian is inclined to be a bit thick in the skull.

Caps are without imagination, but they are dependable. You can depend upon them never to take advantage of you, always to do their work well and always to be accurate in their accounts, data and dates. The chap who got that raise in correspondence school ads because he knew the date of the battle of Waterloo or whatever it was, was a Cap. But he hasn't had a raise since then.

In any dispute involving facts, the Capricornian usually wins, because he knows what he is talking about and he is stubborn enough to stick to his point until he has proved that he is right. He is apt to be a distressing bore on that account to anybody but another Cap.

He is neat and tidy and is always on time for appointments. He even pays his bills on time.

The Cap in his pure, unadulterated state is almost wholly devoid of the mellower sentiments and hence he rarely gets mixed up in any of the messier scandels. You never find a Cap making a pass at a pretty passenger in a Pullman car or figuring in a love nest eposide in the tabloids. It is hard enough for Caps to get up any steam even for the people they are in love with. When a Cap marries, he aims to keep married for good. They consider every relationship in life as purely a business proposition; and it must be said for them that they are always square in holding up their end of an agreement.

Capricornians never gamble. The typical Capricornians are dour individuals, melancholy in mood, suspicious in manner, and sallow in complexions. They are as a rule inclined to be either tall or short; but in on case are they ever fat. They may be solidly built, but leaness is their characteristic more often than not. They usually have good profiles and their noses are lean and patrician in contour. They are rarely ball and so inclined to hirsuteness that woman born under this sign often have mustaches.

GUHS Capricornians and their birth dates are for the month of December:

20. Virginia Packer.
22. Anita Chasby, Janet Estes, Mary Jane Forster, Christine Lowery, Sandy Uhlman.

"Most Likely to Succeed"

Establishing and maintaining a friendly, business-like relationship with a good bank is important to young men and women, particularly to those who aspire to become tomorrow's business and professional leaders.

These young men and women who establish a banking connection by opening a savings account and adding to it regularly...who consult the bank about their plans for the future... who win and keep the confidence of their banker...have gained a valuable, life-long ally.

The Valley National Bank cordially welcomes the accounts and friendships of all sincere, ambitious young men and women.
